About the Event

Join us in watching Janice paint live, ask her questions, and learn more about her technique and style in lecture format. Enjoy a day of learning and observation with fellow watercolor enthusiasts, no supplies needed.

In her portraits, Janice expresses the subtle and obscure beauty she finds in her travels and experiences. She will share her current working style that focuses on the range of expression observed when encountering people from all walks of life. In this demonstration, Janice will show how to orchestrate the fragments of light that dance over forms, creating a marvelous mosaic.
