VESSELS

A WORKSHOP WITH KRIZIA FLORES OF
CONCRETE GEOMETRIC

JUNE 1, 2019 1PM-3PM
\$125 MATERIALS PROVIDED; AGES 10+

1 CIVIC CENTER CIRCLE • BREAA, CA 92821 • (714) 990-7731
BREAGALLERY@CITYOFBREAA.NET • BREAGALLERY.COM

PIGMENTED CONCRETE VESSELS

Join Krizia Flores of Concrete Geometric as she demonstrates this unique and easy concrete molding technique that incorporates fun splashes of color to create a decorative planter for your home, office, or garden.

Each student will receive a personal set of materials and learn the proper concrete mixing and pouring techniques needed to create their own vessels. Krizia will also be conducting a concrete casting Q&A during the workshop to satisfy any curiosity about this modern medium!

To learn more about Krizia, visit www.concretegeometric.com.
